

Stuck in the Mud!

Once upon a time there was a Farmer called Tom who had a cow called Daisy.

Early one morning Daisy went into the farmyard and got stuck in the mud!

"Who will help me pull Daisy out of the mud?" said Farmer Tom.

"I will," said the horse.

So, they pulled and they pulled and they pulled but Daisy was stuck fast!

"Who will help us pull Daisy out of the mud?" said Farmer Tom.

"I will," said the goat.

So, they pulled and they pulled and they pulled but Daisy was stuck fast!

"Who will help us pull Daisy out of the mud?" said Farmer Tom.

"I will," said the sheep.

So, they pulled and they pulled and they pulled but Daisy was stuck fast!

"Who will help us pull Daisy out of the mud?" said Farmer Tom.

"I will," said the dog.

So, they pulled and they pulled and they pulled but Daisy was stuck fast!

"Who will help us pull Daisy out of the mud?" said Farmer Tom.

"I will," said the cat.

So, they pulled and they pulled and they pulled but Daisy was stuck fast!

"Who will help us pull Daisy out of the mud?" said Farmer Tom.

"I will," said the rat.

So, they pulled and they pulled and they pulled
but Daisy was stuck fast!

So, the rat and the cat and the dog and the sheep and the goat
and the horse and Famer Tom pulled Daisy. They pulled and they
pulled and they pulled until out popped Daisy and they all fell
down with a BANG!

After that, they all went home and had a cup of tea.
