

# The Rainbow Princess

Once upon a time,  
there was a beautiful princess  
who went out for a walk.

She walked and she walked and she walked  
until she came to a pond.

There she met a green frog  
who felt sad.

Mr Frog hid in the pond  
and did not want to show his face.

"Come with me,"  
said the princess,  
"and we'll see if we can find you some happiness."

First, they came to some tall grass:  
swishy swashy, swishy swashy.

Next, they came to a path of sharp stones:  
ouchy grouchy, ouchy grouchy.

Then, they came to the sea:  
splashy splashy, splashy splashy.

After that, they came to a dark forest:  
tippy toey, tippy toey.

Finally, it started to rain:  
drippy droppy, drippy droppy.

Up in the sky, they saw a rainbow,  
So Mr Frog and the Princess  
walked and they walked  
and they walked  
until they came  
to the end of the rainbow,  
where they found a pond  
and in the pond  
they met  
little Miss Frog  
and she too felt lonely.

So Mr Frog leaped  
into the pond  
with a mighty  
SPLASH  
and those two frogs  
lived happily together  
in a pond  
at the end of the rainbow.

And as for the princess,  
well, she walked home  
with a smile  
as bright as a rainbow.
