

# The Enormous Turnip

Once upon a time  
there was a little old man  
who grew an enormous turnip.

Early one morning  
he woke up  
and went outside  
to pull up the turnip.

So, he pulled and he pulled and he pulled  
but the turnip would not budge.

First, he asked his wife to help.

So, the little old woman  
pulled the little old man  
and the little old man  
pulled the turnip  
but still the turnip would not budge.

Next he asked his son to help.

So, the son pulled the little old woman  
And the little old woman  
pulled the little old man  
and the little old man  
pulled the turnip  
but still the turnip would not budge

Next, he asked his daughter to help.

So, the daughter pulled the son  
And the son pulled the little old woman  
And the little old woman  
pulled the little old man  
and the little old man  
pulled the turnip  
but still the turnip would not budge

Next he asked the dog to help.

So, the dog pulled the daughter  
And the daughter pulled the son  
And the son pulled the little old woman  
And the little old woman  
pulled the little old man  
and the little old man  
pulled the turnip  
but still the turnip would not budge.

Next he asked the cat to help.

So, the cat pulled the dog  
And the dog pulled the daughter  
And the daughter pulled the son  
And the son pulled the little old woman  
And the little old woman  
pulled the little old man  
and the little old man  
pulled the turnip

but still the turnip would not budge.

Next he asked the mouse.

So, the mouse pulled the cat  
And the cat pulled the dog  
And the dog pulled the daughter  
And the daughter pulled the son  
And the son pulled the little old woman  
And the little old woman  
pulled the little old man  
and the little old man  
pulled the turnip  
but still the turnip would not budge.

They pulled and they pulled and they pulled.

Finally, the turnip came flying out of the ground  
and they all fell down with a BANG!

After that, they had turnip soup for tea  
and lived happily ever after.
